

GFWC Florida Juniors,

It is with much excitement that I invite you to the 2010 Fall Board of Director's Meeting on September 16-18, 2010.

I have a special thank you to each of you who replied to the electronic survey on the [gfwcflorida.org](http://gfwcflorida.org) website. With your comments as a guide, the 2010-2012 Junior Planning Committee has made major changes to the schedule of Fall Board, so please read through it carefully!

Some of the big changes you will see:

- Junior "Just About Members" (J.A.M.) Sessions (formerly known as workshops) on Saturday and Sunday ONLY
- GFWC Florida Day of Service @ Give Kids the World
- Junior "One Voice" Interaction Luncheon moved to Saturday
- Fundraising Baskets are BACK!
- Hands-on Projects and Teambuilding at every J.A.M. Session to take back to your clubs, and
- Streamlined, on-line reporting that correlates to the new GFWC Focus Areas.

Ensuring that our membership and GFWC Florida's continued growth is our focus, and for a little fun and competition, I have chosen "May the Federation Force be With You!" as our theme for the weekend. Yes, this means we will be battling the "dark forces" using specific Jedi "Junior" Knight training.

I urge you to gather your "troops", and be ready for a Fall Board unknown to this Federation Galaxy!

"See you at Fall Board, I shall..."

Jolie "Yoda" Frankfurth, 2010-2012
