

GFWC Florida Archives Committee and the GFWC Florida Executive Committee are invited to be a part of this Federation History by helping to continue to fund the binding or rebinding of our minute books, *Clubwoman* magazines, manuals, programs and a lot more. The cost is \$125.00 per publication. Each publication will have a book plate placed on the front page of the publication.

As a donor, you get the option of placing your name, or a club name. You might choose to use the book plate in honor of, in memory of or any dedication you wish.

So how do you get involved, it's easy...

Send a check for \$125.00 to GFWC Florida, 4444 Florida National Drive, Lakeland, FL 33813, with the below Book Plate Form. Don't forget if it is in honor or in memory, please enclose the name and address so we may inform them of your endowment. We will send you a certificate, stating the publication you have restored and also it's location in our Archives.

*We look forward to you TODAY, being a big part of your  
federation's YESTERDAYS....  
The future of our TOMORROWS depends on your help.*
