## **“JENNIE AWARDS”**

The deadline is getting close for each club to submit one Jennie Award nomination. Please take the time to look at your membership to select that special lady who has devoted years of service to your club, the community and her (extended) family. The GFWC Jennie Award is the highest honor bestowed by GFWC and is the only national honor that recognizes an individual member for personal excellence.

Nomination materials must be postmarked by June 15, 2011 for state-level judging. The judging will take place in July, 2011. A panel of non-member business and civic leaders will review all applications.

The official GFWC Jennie award nomination forms can be found in the GFWC manual at [www.gfwc.org](http://www.gfwc.org). If you have difficulty locating the form under GFWC Awards, Contests, Grants, just give me a call at the above phone number and I will be happy to mail you a form.

A 500 word narrative must accompany the official applications. This narrative should include information about the nominee's club activities, participation in community activities and information about her commitment to her family or extended family. A photograph no larger than 5 x 7 must be included along with a letter of endorsement from the club president and a letter of recommendation from a representative of another organization. Newspaper or other media stories about successful projects in which the member participated should be included. Her name need not be mentioned in the article.

Please honor that great lady in your club with a Jennie nomination. All nominations should be sent to the above address and not to the state president.
