The GFWC Florida Federation of Women's Clubs has a long history in support of education. During the 2012-14 administration Pat Zazzarino Presidents project was to establish a scholarship program. The goal of the program was not only to raise the needed funds to award yearly scholarships but to award scholarships to women who need financial assistance for education to achieve their goal to gain employment and become self-sufficient.

GFWC also realizes that no matter how small a scholarship may be each one is important to the recipient. We are encouraging all clubs to:

1. Make a Contribution to the scholarship fund. Send your donation to GFWC Florida Headquarters in Lakeland, FL on the memo line of the check note GFWC Florida Scholarship Fund. A donation form is also located on our website: [gfwcflorida.org](http://gfwcflorida.org) under programs.
2. Spread the word about the scholarship, GFWC Florida will award 3 (three) \$3,000 scholarships to women returning to college who need financial assistance for education to achieve their goal to gain employment and become self-sufficient. The application and recommendation forms are available on our website: [gfwcflorida.org](http://gfwcflorida.org) under resources. The student must be enrolled as a **full time** student and attend an accredited public Florida College, University or Technical School. The deadline for receipt of the application and all supporting documentation is March 1, 2017. The application and supporting documentation must be submitted on line to: Candi Aubin at [aubin5@aol.com](mailto:aubin5@aol.com) .
