

This year I would like to see the clubs take up a service or donation for local shelters, hospitals, retirement homes, and child care places (toys for tots) in their area. I would like to see the girls bring in at least one item for donate or spend some time at these places. Items to include for donation: toys, food, blankets, accessories, luxury items (for fun). Can't wait to see what you collect.

Thank you!

Jaclyn Rogers, Home Life chairman
