I am for the child

Florida's Guardian ad Litem (GAL) Volunteers are appointed by the court to advocate for children who have been abused, abandoned or neglected. GALs develop a consistent relationship with the child, serve as educational advocates, help the child to experience and participate in normalcy activities, and ***most important***, they make independent recommendations to the court to ensure a safe, caring, stable, and permanent environment for the child. Today, the GAL Program supports more than 10,000 volunteers serving more than 23,700 children.

GAL Volunteers save the State of Florida **\$40 million** in salaries and benefits.
