Ch...ch...ch...changes! Welcome to Fall Board 2010 and a new administration! We are so excited to see how you fit in with Arts and how Arts fits in with you!

Arts is now comprised of two areas: Collaborations and Partnerships. Any project you complete with a GFWC partner will be reported under Partnerships; all other projects will be reported under Collaborations. It's that simple!

The goals for the Arts Community Service Program are to create and contribute to arts education and activities in their communities, and to engage GFWC members in developing and enjoying creative arts as a method of self-expression.

As you plan your projects this year, please be aware of important dates:

- ✓ October: National Arts and the Humanities Month, America for the Arts
- ✓ February: Library Lovers Month
- ✓ March: Youth Art Month
- ✓ April: National Poetry Month
- ✓ May: National Photography Month

GFWC sponsors several contests in the areas of photography and writing, including "GFWC Volunteers in Action", "A Year in Pictures", and GFWC Member Short Story and Poetry Contests. Information regarding these contests can be found in the 2010-2012 GFWC Club Manual under Awards, Contests, and Grants.
