

GFWC Florida Junior Arts Partnership Bulletin

GFWC Partners offer opportunities to make a difference on a local, statewide, national and international level. There are two GFWC Arts Community Service Program Partners: American Mural Project and Very Special Arts.

AMERICAN MURAL PROJECT

The American Mural Project is a nonprofit organization focused on creating the largest collaborative piece of indoor artwork in the world! The piece will be a three dimensional-painting 120 feet long and five stories high. GFWC members have the opportunity to actively participate in the American Mural Project by collecting watches, which will be incorporated into the finished mural. The mural will be in Winsted, Connecticut in a special building that is being created for it.
