Welcome to Juniors!

Welcome to the St. Petersburg Junior Woman's Club. We are a hands-on community service organization with service projects in 6 main areas: Arts, Conservation, Education, Public Issues, Home Life and International Outreach. Our local club was established in 1932.

What we do

Service Projects

We volunteer to assist community organizations with special projects and events throughout the year. Check out our club calendar for some of our upcoming service projects. Have fun with friends while making the community better!

Monthly Meetings

Monthly business meetings are held on the 1st Tuesday of each month. We do not meet in June or July. The business meeting begins at 7:00pm. Bring a friend and show them what Juniors is all about!

Socials

Have fun while making new friends! Many socials are planned throughout the year to help members get to know each other better. Past socials include wine tasting, shuffleboard, movies, beach bbq and more.

Federation

We are a part of the General Federation of Women's Clubs (GFWC), an international organization. Join us for district and state level meetings and service projects. Twice a year we meet with other club women from around the state at our Spring Convention and Fall Board – held in Orlando.
