CONGRATULATIONS! GFWC Florida won first place in the Art Partnership at the GFWC convention in June 2011.

Very Special Arts Program

GFWC Florida clubwomen were the sincerest of artists as they spent this last year creating something that truly benefited the living. Our member's commitment to VSA makes one proud. Clubs across the state participated in VSA project by donating money and collecting art supplies. Many clubs provided hands on assistance by serving refreshments, helping with projects or cleaning up after VSA Arts Festivals.

American Mural Project

The American Mural Project is a nonprofit organization focused on creating the largest collaborative piece of indoor artwork in the world, a celebration of American ingenuity, productivity and commitment to work. The piece when finished will be a three dimensional painting 120 feet long and five stories high – so large that a special building is being created for it – made of a wide variety of materials, including honeycomb aluminum panels, fiberglass, ceramic tiles, fabric and blown glass. GFWC is proud to be a partner with the American Mural project! GFWC Florida clubwoman contributed to this project.

GFWC Florida President Teddy Hulse was very proud to accept the first place award for the Arts Partnership at the GFWC convention in Milwaukee, June 2011. Thank you to all GFWC Florida clubwomen for their hard work.
