Thank you so much for the opportunity of reading all your wonderful reports. I learned so much and had such a fun time living through your experiences.

The club I submitted for the Creativity Award was GFWC Coral Springs Woman's Club. They held a baby shower for orphaned animals. They went to the Sawgrass Nature Center and Hospital and held the baby shower. They donated bird seed, nuts, cat food, dog food, rabbit food, bleach, baby blankets, baby food, paper towels, gloves, laundry detergent, feeding bottles, a hamster cage with accessories and trash bags. Then they gave a cash donation!

I submitted 10 clubs for the State Awards.

1. Lutz-Land O' Lakes Woman's Club – Spring and Fall Flea Markets
2. GFWC Sebastian Woman's Club –Butterfly Gardens
3. GFWC Woman's Club of Tarpons Springs Florida, Inc. – Holocaust Stamp Project
4. GFWC Plantation Woman's Club – Posies For Pots
5. GFWC Woman's Club of Panama City Florida, Inc. – Monthly Water Bill Donations to Support Parks
6. GFWC North Pinellas Woman's Club – Halloween at State Park Island
7. GFWC Woman's Club of West Broward – Dolphin Research Center
8. GFWC Williston Woman's Club – Smithsonian Institutes Water Ways Exhibit
9. GFWC Treasure Coast Woman's Club – Hobo Party
10. GFWC Florida Fabulous Florida Flamingo Flock – No Nonsense Panty Hose Recycling Program

No Nonsense  
Pantyhose Recycling  
PO Box 333  
Lumberton, NC 28359

As the Conservation Chairman for the state of Florida, I wrote two bulletins and answered all questions that were sent to me. I researched The Nature Generation and ordered books to be shared with school children. I have spoken to one club and at one District meeting. I spoke at Fall Boards last year on the Nature Generation and recycling. I have passed on all information to my club and District.
