

2022-2024 COMMUNITY SERVICE PROGRAM SIGNATURE PROGRAM

Trisha Schafer, Chairman E: Trishamae2520@gmail.com

The goal of the GFWC Signature Program is to increase awareness of and help prevent the widespread occurrence of domestic abuse in communities across the Nation by working with national domestic violence networks, supporting existing activities, working with various established programs, and initiating educational opportunities for club members and local citizens. GFWC aims to be a powerful voice for those who have no voice.

COMMUNITY CONNECTION INITIATIVE: RAISE AWARENESS TO HOPE AND HELP

Community Connection Initiatives are designed to answer the need to build awareness and recognition of who GFWC volunteers are, what the organization accomplishes, and making GFWC recognizable in local communities. This branding effort assists in giving GFWC a more human side, which will help to build your recognition and grow your membership.

Human trafficking is a horrific crime that affects an estimated 14,500 to 17,500 in the Nation according to the U.S. Department of State, involving 16,658 individual victims annually. GFWC encourages club involvement to raise awareness among employees, community and industry partners, and the public of the statistics of human trafficking.

Partner with DOT, local businesses, and other Human Trafficking Advocacy groups in the community to provide information cards and install bathroom stickers, large signage, and hotline information throughout your community.

These materials raise public awareness and provide victims of human trafficking with critical information on how to reach out for help.
