

GFWC FLORIDA FEDERATION OF WOMEN'S CLUBS

Dear Ladies of the Florida Federation,

Over the last nine years of my participation on the Florida Federation Executive Committee, I have had the opportunity to travel to all the Districts in our state and I have met many **talented and enthusiastic women**.

There are 200 positions to fill on the Board of Directors, so a smooth transition takes place on Monday **April 15, 2024** after the 2024 Annual Convention in Orlando. Please consider this a **Call to Duty**, a chance to make a **Positive Footprint** on the Federation, with the many talents I know that all of you have.

The following pages have all the positions listed, find one, that you believe your talents can excel in, and **submit your application** for consideration. We need your help so the 2024-2026 administration can add its legacy to all the successes of our past administrations. Upon selection you will be contacted by me with more information as to the position you are assigned to.

I would like to thank all the Past Presidents of the Florida Federation that have mentored and help me over my time with GFWC, and I know if I need their help they will be standing beside me.

This application process is important, but, we can't lose sight of the goals set by our President, Linda O'Toole, and her Camp Boggy Creek project.

In Federation,
Sara Dessureau
GFWC Florida President-elect
